FAMILY DISCOUNT POLICY

PURPOSE

This policy aims to support families with multiple members participating in NER winter competitions by reducing the cumulative cost of registration fees.

POLICY STATEMENTS

The NER Family Discount:

- is a Club based registration discount
- is optional
- is only available via redemption (after all registration fees have been paid)
- applies to fee based registrations received from a single family for the winter competitions of both soccer and netball
 - A single family member paying multiple registration fees, count toward that number of family registrations
- does not apply to registrations such as those for Coach, Manager, and other membership positions that do not require a registration fee to be paid

The Options (only one option may be redeemed):

1. A \$25 discount for the 3rd and subsequent registrations received from the same family
2. If five or more registrations are received from the same family then the lowest cost registration fee paid for the family is free
3. The family do not wish to claim a family discount

The validity of a family to receive the NER Family Discount will be determined by the NER Management Committee.
